Subject: Onboarding & Integration Request for Rent Payments – Ahmed Alkhzaimi and Salem Al Matroshi B

Dear Tabby Team,

We operate the Ahmed Alkhzaimi and Salem Al Matroshi Building, owned by:

- 1) Mr. Ahmed Alkhzaimi
- 2) Mr. Salem Al Matroshi

We would like to onboard with Tabby and integrate Tabby as a payment method for our tenants' rent payments.

Please note that we do not have an Articles of Association (AoA) or Memorandum of Association (MoA). Our

We maintain a property-management system and plan to integrate Tabby within it to:

- Offer Tabby at checkout for rent and approved charges;
- Receive and reconcile payment statuses;
- Support refunds/partial refunds as required.

Kindly advise on the onboarding steps applicable in the absence of AoA/MoA, and share the API documentation.

We are ready to proceed and can provide any additional information you may require.

Sincerely,

Salem Al Matroshi
